Webinars

Center for Learning Connections presents....

## WOIS/The Career Information System Advanced Portfolio Training

Thursday, April 23, 2009 | 9:30am - 11:30pm PDT | At anywhere with internet access

*An in-depth view of WOIS career and educational planning tools. Participants learn to effectively use the WOIS Assessments and Career information to help students and clients create future plans.*

### Workshop Outline:

1. How to customize the WOIS Electronic Portfolios for their site including, setting up groups, assigning students to groups, putting in class lists for the High School and Beyond Plan, and creating links for the main menu and culminating project section.
2. How to use WOIS Portfolios for High School and Beyond Plans, Student-led Conferences, Navigation 101 and Culminating Projects.
3. How to Track Student Progress through the Portfolio.

**Attend this all new webinar anywhere at your convenience.**

### Why Webinar?

- To save travel time
- Flexible training at your convenience
- To attend a training without leaving work or home
- Tightening travel budgets
- Train in a different way while not giving up the interaction.
