The King County Non-Profit Staff Development Coalition Project (NPSDC) presents ...

“SPECIAL ISSUES” SERIES: MENTAL HEALTH

Thursday | September 14, 2006 | 9:00 am – 4:30 pm

Safeco South Jackson Street Center | 306 23rd Ave. South, Suite 200 | Seattle WA 98144

This full day interactive training is designed to increase the practical and theoretical knowledge of mental health issues. The training emphasizes the development of knowledge and skills for appropriate, effective services delivery within the framework of mutual responsibility, accountability, respect and outstanding customer services.

PARTICIPANTS WILL BE ABLE TO:

- Recognize the major characteristic of mental health disorders common to adults and children
- Describe the major distinguishing characteristics of those disorders
- Understand the impact of mental health disorders on functioning
- Identify common screening tools and techniques for assessing mental disorders
- Describe the basic components in the mental health screening process
- Understand a basic crisis intervention assessment process
- List the basic steps in making a mental health services referral

(This workshop has been designed for frontline staff, case managers and counselors who are either new to their roles or as a refresher to those who already hold these positions, and supervisory staff.)

“Good overall coverage of the field of mental health. Helps me identify different possible mental health issues my clients are presenting... brings awareness of how these issues impact all aspects of social services and advocacy...”

“Excellent presentation ... professional and knowledgeable trainer.”

TRAINER - Jonathan R. Beard, LICSW, CPRP
